OVER 50
YEARS

“Delivering the Difference”

Porter's, the name you have come to know in the Ark-La-Tex as Fine Dry Cleaners, is proud to be celebrating over 20 years in the Uniform and Facility Services Business. In 1998, Mark Porter had the vision to bring businesses the level of service that Porter's Fine Dry Cleaning had been providing to individuals for over five decades. Today, Porter's Industrial provides Uniforms and Facility Services to more than 1,200 customers throughout the Ark-La-Tex and is proud to offer the quality of service that only a local, family-owned business can provide. Each day, we strive to uphold our guiding values of hard work, ethical decision making, moral behavior and respect for the individuals with whom we interact. These are the values on which John Porter built Porter's and we are proud to say that the 3rd generation of Porter's leadership is maintaining these same values.

The Porter's team is most proud of our commitment to the community. For over 30 years Porter's has sponsored "Coats for Kids" and has embarked on a new endeavor to help kids stay in school with "Uniforms for Kids". Through "Coats for Kids", we have distributed over 100,000 coats to keep kids in our community warm. The "Uniforms for Kids" program has helped hundreds of families "keep their kids in school". We would like to thank our community for the outpouring support of these programs and look forward to many more successful years to come!

RFID TECHNOLOGY MAKES US THE BEST CHOICE

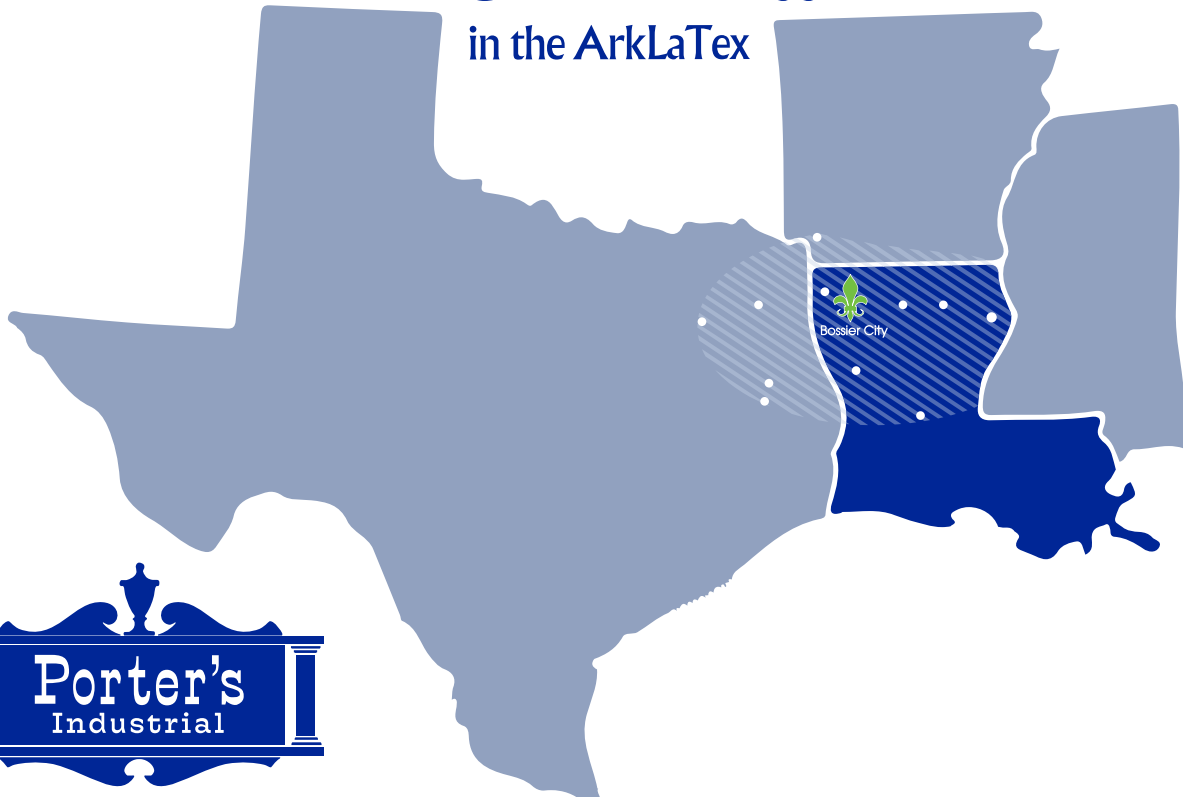

With our garment tracking program, every Porter's uniform rental piece has a unique RFID tag, which automates tracking of your items. We know where your garments are, which means you know where your garments are.

HOW DOES A GARMENT RENTAL SERVICE WORK?

We start with a complete analysis of your company's apparel needs and design a program accordingly. Everything from heavy to light soil, industrial, business casual and business executive garments are available in our rental, lease or direct sale programs.

ANALYZE

We size each employee to ensure a perfect fit.

INSTALLS

Rental garments are provided with no up-front capital investment.

SERVICE

Porter's service begins with pickup and delivery of garments from your business.

A man in a blue uniform and safety glasses is working in a laundry facility. He is holding a red cloth and appears to be using a tool to clean or inspect it. The background shows shelves with various items, likely laundry supplies.
